

Welcome to GSL SMART Lab's E-learning portal

When you set out to learn, the end of the journey isn't knowing more, it's doing more.

This unique adaptive learning solution ensures continuity in simulation teaching and making you ready for the real world.

GSL SMART Lab

GSL Simulation Modules for Advanced Research and Training Laboratory is a World class simulation center equipped with High fidelity mannikins, Virtual reality mentor trainers, and skill trainers. GSL SMART Lab is pioneering the future of medical education through simulation and experiential learning.

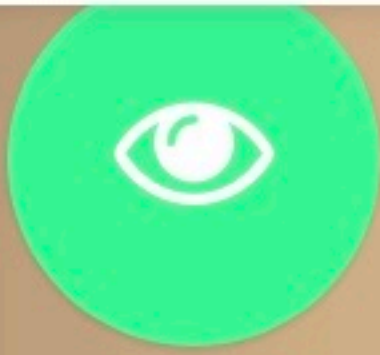

High fidelity Simulation

Our sophisticated life-like manikins create a learning environment which replicates reality

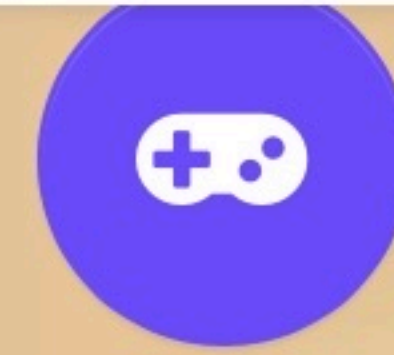

Skill training

Acquire technical skills through deliberate practice on our advanced task trainers in "Patient Safe" environment

Virtual & Mixed Reality Simulation

Immerse yourself in a virtual 3D world for an all encompassing sensory experience which brings you true experiential learning

Game based Learning

Serious Games and Gamified learning environments where "play" leads to skill development
