

List of opportunities provided for mid course improvement of students

- **Timely assessments:** Administration of internal exams and assessments will be done on time
- **Feedback:** Feedback will be collected in a timely manner
- **Makeup for assignments and tests:** We will allow students to make up for assignments and tests
- **Remedial teaching:** We will provide remedial teaching and support.
- **Revision classes:** We shall conduct revision classes to reinforce concepts and help slow learners
- **Revision exams:** Conduct periodical revision exams to improve writing and presentation skills
- **Parent-teacher meetings:** Conduct meetings to inform parents about their child's performance and attendance
- **Self-directed learning:** Encourage students to use the departmental library and learn independently
- **Small group discussions:** Hold small group discussions for students in their subjects
- **Peer group study programs:** Encourage slow performers to study with advanced learners
- **Coaching:** Provide coaching for students who score low in viva-voce
- **Practical demonstrations:** Provide separate practical demonstrations for students who are lagging behind in practical skills
- **Counselling sessions:** Arrange counselling sessions for students who are struggling with non-academic factors
- **Attendance follow-ups:** Follow up with students who have low attendance and regularly update attendance details with their parents
