## OBJECTIVES

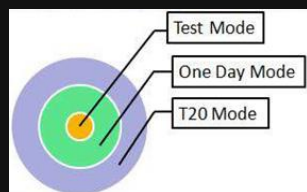

Our complete test series and preparation strategies are segregated into 4 modes:

**\*Test Mode:** Through subject preparation by giving out your best; Jordan shortcuts and notes. Complete mode is divided into POWER PLAYS.

**\*One Day Mode:** Revising the subjects and related repeats simultaneously.

**\*T20 Mode:** stress reduction; boosting up the confidence levels. Deal with all subjects along with mocks.

**\*Final Mode:** Last 15days of Preparation.

## MISSION

Each Subject is covered thrice in all the above 3 to 4 times in the above FOUR modes of preparation in a complete year.

We turn aspirant's conventional preparation into a smart preparation. MDS Conquer came out with a special edition of books named "POWER PLAY BOOKS".

These are set of 5 books with 3-5 subjects each; they acts as heart throb during preparation. MDS conquer till now printed and supplied 3500 sets of power play books across the country in the very first year into market benefiting aspirants like you. All this happened just by word of mouth. This speaks the importance of power play books in preparation and these books are the best in carrying numerical and scientist names with mnemonics at affordable prices.
