INTERNATIONAL WOMEN'S DAY - MARCH 8,2023

Celebrated worldwide on March 8th, International Women's Day (IWD) honors the political, social, cultural, and economic accomplishments of women while promoting gender equality and women's rights. GSL Dental College celebrated IWD 2023 with a ceremony honoring the accomplishments of women in education and healthcare. The event gave people a chance to consider the advancements made in gender equality and discuss areas that still needed work.

The institution planned a number of events, including as talks, debates, cultural performances, and awareness-raising initiatives, to get staff, teachers, and students talking about women's responsibilities in society, academia, and healthcare. The event's focus on equality of opportunity and empowerment was intended to motivate attendees to strive for a world that is gender-equal.

The event enhanced the college community's comprehension of women's empowerment, encouraged inclusive teaching-learning practices, and integrated gender equity into the academic framework. In the context of the dentistry and medical fields in particular, the event was a step towards creating a more equal and inclusive society.

GIRLS SAFETY AWARENESS PROGRAMME - 7TH APRIL,2023

GSL Dental College prioritizes the health and safety of its community, adhering to NAAC standards, and is committed to creating a safe and empowering environment for women. The **Women Safety Awareness Program** is designed to equip women with the knowledge and skills to protect themselves in various situations. This includes educating them on legal rights, self-defense, and the importance of mental and emotional health.

The program features training sessions, seminars, and workshops led by professionals in law enforcement, psychiatry, and self-defense, and collaborates with advocacy organizations, NGOs, and local authorities to provide comprehensive support. It also emphasizes the collective responsibility of the community in fostering a respectful and secure environment, encouraging everyone to contribute to promoting equality and safety.

In summary, this program is integral to the college's broader goal of creating a safe, supportive, and empowering atmosphere, helping students and staff to thrive both academically and professionally with confidence and peace of mind.

PERSONALITY DEVELOPMENT PROGRAMMES FOR GIRLS-

23RD AUGUST 2023

GSL Dental College emphasizes the holistic development of students, with a particular focus on empowering female students through **Personality Development Programs for Girls**. These programs aim to enhance self-confidence, leadership, communication, and interpersonal skills, fostering the growth of well-rounded, socially responsible women.

The initiative aligns with NAAC's goal of promoting student welfare, inclusivity, and addressing the unique challenges women face in academic and professional spheres. By offering training in areas like public speaking, time management, emotional intelligence, and leadership, the program helps female students refine their skills, overcome obstacles, and build self-esteem.

Ultimately, these programs support the college's mission of creating a supportive and empowering environment for women, equipping them not only with academic knowledge but also with essential soft skills and resilience to succeed in their careers and contribute meaningfully to society. Through these efforts, GSL Dental College nurtures confident, capable women ready to lead with integrity and excellence.
