

**FEEDBACK OF PARENTS TEACHER MEET HELD ON 18.0.2017**

- No complaint regarding the teaching was given during the meet.
- Parents are satisfied with academic teaching and the schedules of the clinics and theory classes.
- Parents are satisfied with the anti-ragging activities and actions by the college faculty and management for the security of the students.

GRIEVANCE	ACTION TAKEN
1. One of the parents complained that the cooling water should be made available to the students during summer season.	Drinking water coolers were installed in the first floor nearer to the lecture galleries.
2. A parent suggested to take action to improve the performance of her child after seeing the internal marks	Student incharges were created from faculty for each batch and study hours were being conducted every day to improve the students' performance individually.

**FEEDBACK OF PARENTS TEACHER MEET HELD ON 13.03.2021**

- Upgradation of skills of students was being done by conducting workshops, CDEs and conferences. This has been encouraged by parents and they expressed their satisfaction on such co curricular activities by the management.
- Parents are satisfied with academic teaching and the schedules of the clinics and theory classes.
- Measures taken to curb the ragging and to alleviate the stress on students were satisfactory to the parents.

GRIEVANCE	ACTION TAKEN
1. Parents expressed concern over safety of the students due to covid fear	All necessary Covid precautionary guidelines were strictly followed and all the students and faculty are instructed the same. Necessary etiquette is provided to the students and even for the patients for the students to work on.
2. Some parents expressed the danger of riding the bikes on National Highway.	All students are made mandatory to wear the helmets and students without helmet are not allowed to enter the college premises.
