

GSL Institution's Innovation Club

To groom students and faculty into well rounded personalities so that they evolve into both respectable professionals and responsible individuals, who ultimately become the true wealth of the nation's innovation. This platform creates awareness, educate, nurture and inculcate a culture of innovation and to enable them to generate new ideas and become more innovative.

“Infusing intricate thinking in the minds.

Polarizing thoughts into the process and a product.”

Objectives

1. Explore innovative ideas in the students and faculty
2. Organise seminar, conference, workshop, exhibitions relating to innovations.
3. Develop innovative mindsets and train for entrepreneurship.
4. Provide opportunities and platform for students, teachers and other members of the society.
5. Support and facilitate grassroots innovations.
6. Document innovations for different walks of life.
7. Collaborate with micro, small and medium enterprises.
