TRAIN THE TRAINER

DATE: 28-6-2018 TO 30-6-2018

CONTENT: To understand training methodologies which they can put in to the practice in their respective field as a professional. Our programs are developed and refined in a unique manner for enhancing skills of any one involved in training or learning managements.

GSL SMART LAB has specially conducting a unique course for training the trainers. LEAD's Trainer – LEAD Smartly A small group of educators who wish to use simulation as a teaching methodology. Here we have used multi disciplinary simulators skills trainers focusing on Emergency Critical Care and Anaesthesia. Dr.S.S.C.Chakra Rao garu and Brig.Dr.T.V.S.P.Murthy garu inaugurated the course. Chakra Rao Garu stated that this is the Unique lab with efficient educational equipment. It's a three day focused course on simulation with an aim to acclimatize simulation to faculty and help them in corporate simulation in their curriculum. GSL SMART LAB along with Laerdal India designed three days programme from 28th to 30th of June 2018. Total Number of participants are 38 who are the faculty from the dental college . This Mechanical Simulation is done for the first time in the world with over 50plus simulators focusing on Adult Simulator, Ventilation Simulator, Ultra Sound Simulator, Birthing Simulator, and Paediatric Simulator for this train the trainers programme. The students and faculty got a great insight into the various aspects of handling patience in normal, critical and rare conditions.
